NOTICE INVITING TENDER (NIT) FOR GPS DEVICE IMPLEMENTATION

Oil Palm India Ltd. (OPIL) invites tenders from qualified vendors for the **supply, installation, and commissioning of GPS tracking devices in 20 vehicles** operating across OPIL estates.

Scope of Work:

- Supply of **20 GPS tracking devices** compatible with OPIL's vehicles.
- Installation and commissioning of devices across OPIL estate vehicles.
- Features to include **real-time tracking, geo-fencing, trip history, and alerts (over-speeding, unauthorized routes, etc.)**.
- **After-sales support and maintenance** of the system for a period of **two years after guarantee period** & shall be included in the offer.

Eligibility Criteria:

- Minimum **three years of experience** in GPS tracking system installation.
- Proof of **successful implementation** at least in two organizations with minimum 20 vehicles.
- Financially stable with the ability to execute the contract, proof to be attached.

Tender Submission:

- **Single-cover system:** The bid should include **technical details** (device specifications, implementation plan, company profile) and **financial details** (cost per device, installation charges, maintenance cost, applicable taxes).
- **AMC charges** after three years to be quoted separately.
- Tenders should be submitted with subject "**Tender for GPS Devices in OPIL Vehicles**" to email id **tendersopil@gmail.com**.

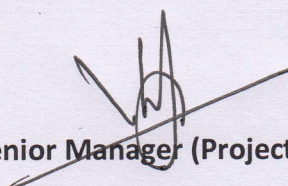

Important Dates:

- **Last Date & Time for Submission: 15-04-2025, 2 pm.**
- **Opening of Bids: 15-04-2025, 2.30 pm.**

General Terms & Conditions

1. OPIL reserves the right to accept or reject any tender without assigning reasons.
2. Installation and commissioning must be completed within **30 days** from award of purchase order.
3. Payment will be made only after **successful commissioning**.
4. OPIL is not responsible for postal delays or loss of tenders.
