Quotation Notice

Sealed quotations are invited from qualified **Government / licensed Structural Engineering Consultants** having relevant experience in structural evaluation and design works for the following scope of services:

Scope of Work

1. Conduct a detailed structural assessment of the existing water tank in Palm Oil Mill, Yeroor Estate, Anchal, Kollam Dist. including:
 - o Evaluation of structural strength and stability of the existing water tank.
 - o Assessment of the structural integrity and serviceability of the tank.
2. Determine the feasibility of increasing the height/capacity of the existing water tank to satisfy the water storage requirements of the firefighting system.
3. Submit a detailed technical report of existing water tank containing:
 - o Findings of the structural assessment.
 - o Recommendations for strengthening and modifications for increasing the height, or new construction, if required.
 - o Feasibility analysis for increasing the tank height and capacity.
4. Submit structural drawings including Plan, Elevation & Cross section for,
 - o Modified/new water tank as required.
 - o Pump house for the firefighting system.

Eligibility Criteria

The consultant shall:

- Be a Government / licensed Structural Engineer possessing valid registration/licensing credentials.
- Have proven experience in structural assessment and design of RCC water tanks and pump house.
- Submit copies of relevant registrations/licenses, and experience credentials along with the quotation.

The assignment shall be completed within 7 days from the date of issuance of the work order. The quotation should reach the Registered Office of Oil Palm India Limited, Kottayam, or be sent to the above-mentioned email ID on or before **11.00am on 26.06.2026**. The quotations will be opened at 11:30am on the same day. The undersigned reserves the right to accept or reject any quotation without assigning any reason thereof. No advance payment will be made.
